

## KIDS FUN ARTS

Kids are amazing and God is gifting them in BIG ways. At Kids FUN Arts students discover ways to make Jesus known. They do this by 1). Choosing workshops like poster art, puppets, stage presence, cartooning and more, and 2). By having the option to prepare and perform a KFA entry, live and on stage.

KFA gives kids the chance to have fun and discover new talents. It also gives kids a day on the stage to share their talent with other kids, and with great grown-ups cheering them on.

Coaches work with the kids, both teaching them and affirming them. Every attending kid takes home a KFA Pin, every Entry-Level kid takes home a medal. Top awards of white, red and blue honors are given in each category.

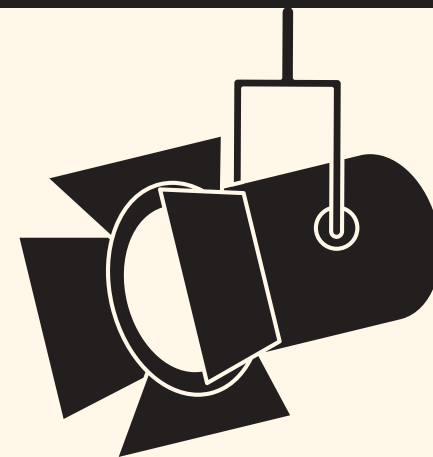

### HOW TO REGISTER?

\$20 registration includes a lunch & workshops. Add \$5 to your cost for each performing entry per student.

Kids FUN Arts students attend as part of their church group & remain under the supervision of their parent or KidMin leader.

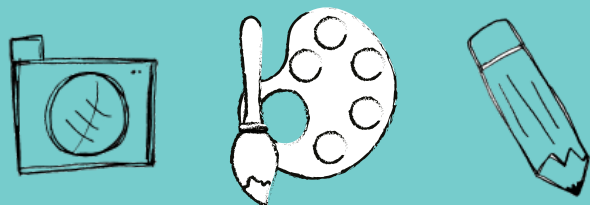

Share Your Skill! There are 2 Divisions to choose from. Fill out the form on the back.
